Camp FAQs

What are camp counselor qualifications and staffing ratios?

All VillaSport camp counselors go through a rigorous interview process and are CPR/First Aid certified. Camp staffing complies with state requirements. In general, this means that staffing levels are based on the ages of the children in each group and the activities being conducted.

Do you administer swim tests for children?

Parental permission for swimming is required via the supplemental Youth Admission Form. Campers with parental permission will be given a deep-water swim test. Children who do not pass the test, or elect not to take it, will be restricted to the shallow end and required to bring and wear a life jacket. If your child does not have a life jacket, he/she will be provided with alternative activities during swim time. A safety talk will be provided to all shallow-end and deep-end swimmers. Lifeguards and camp counselors will supervise camp swimmers.

How can I learn more about camp?

Join us on **Saturday, May 18, 1:00pm – 4:00pm**, for our NEW summer camp open house. Bring your questions, tour VillaKids, meet camp staff, and learn more about required forms, swim testing, check-in/checkout processes, and more.
